of expanding our own reflection."*

**COLLEGE
OF THE
ALBEMARLE**

Elizabeth City, N.C.

All of us enjoy reflecting on pleasurable events; therefore, we hope that the REFLECTIONS included in this yearbook will bring you pleasure. Some events are sharply in focus; some are not. Since each of us has his particular view of reality colored by his background of

experience, prejudices, emotions at that point in time, and many other things, we have left to your reflection exactly what was in focus and what details were outstanding. Reflect, participate, and enjoy.

This year the Foreign Arts Club was formed from a merging of the previous French and Spanish Clubs. The club wrote its constitution and discussed future meetings. In January, the club had a hot chocolate sale, half of the profits were donated to the Alexandra Boada Scholarship Fund. The club also donated to the Pennies for People at Christmas time. In February Mrs. Celia Chernouski told the club of life in Spain and the difference between her life in America and her life there. In March Mrs. Anna Bair told of life in Russia at the meeting after her trip abroad. We plan to go to Chrysler Museum and to La Cupe Restaurant during the Spring Quarter. The officers are President, Mark Cummings; Vice-President, David Franks; Secretary-Treasurer, Karen Pinner; and Advisor, Mrs. Barbara Riccardo.

CLUB

The purposes of the TEC CLUB are to develop the understanding and abilities of the students to plan, organize, and carry out worthy activities and projects through the use of the democratic process and to create a sincere interest and esteem among students, faculty members, and persons in industry for the need of and for industrial and technical education.

The members worked hard with their ideas and skills for the Christmas Parade Float and come out on TOP winning the trophy for Best Over-All and a prize of \$50.00. Other activities sponsored by the TEC Club are The Bi-Weekly Aluminum Drive, Car Bash, Bake Sales, and The March of Dimes.

These are the students who worked the many, long hours on the yearbook.
